

Hello everyone,

There are a lot of the top companies in the US looking very sad at present, many more than in Australia.

The following are the strongest looking ones for potential moves over the next couple of weeks.

This is the first full analysis we have commented on for the New York Stock Exchange ( NYSE )

Have a great week

The colour coding we are currently using is as follows:

Amended orders or stops

Retained Orders or stops – no change

New working orders

Immediate action required
