

Week Ending 28th December 2012

There was 2 entry and 0 exit for the ASX last week.

Because of the hugely reduced volumes over the next week, we will be monitoring existing positions and will adjust stops where necessary, but will not be looking for new potential positions for the coming week

Have a great break all and we look forward to launching the new website and memberships after 4th January 2013. We also have an insane offer for existing members when we relaunch, and look forward to your continued support as we add daily Forex, daily Futures and Hong Kong exchange reports to our services.
