

Hello All,

Sorry about the delay, had some internet problems which have hopefully been rectified, went and got a good broadband wireless, hopefully these issues are now cured.

Possible entries this week include:

ASX300:	TOL	short	enter	open	S.L	\$6.33	this could test the lows in April around \$5.30
	EAU	short	enter	open	S.L.	\$19.18	
	TOX	short	enter	open	S.L.	\$2.28	The target here is around \$2.04, but if this closes below the 3 major lows this year, it should decline to around

\$1.74
